I don't get sick anymore

By Deborah Larson on October 21, 2016

I've had problems for YEARS getting sick with sinus and upper respiratory infections. It started with a cold and always built into something more. With the MANY benefits of cayenne, I'm feeling much better. My nose isn't constantly plugged anymore. I have limited post nasal drip, and I can sleep all night and breathe through my nose. This has definitely been a life saver for a long time

This is one amazing pill that will give you regularity!! I would take two after every meal! Works like a charm! Of course you can't take this long term, it will ruin your stomach.

Bought this for better blood circulation and I believe that this is working

By [David](#) on September 22, 2016

Package Quantity: 1 **Verified Purchase**

Bought this for better blood circulation and I believe that this is working. Sometimes I feel a burn after eating it but that should be expected sometimes, it does not bother me though. I will definitely continue to take this daily.
